

Friends of the SCV (FOSCV)

As a way to recognize persons who support the SCV, but do not meet the requirements for membership, the General Executive Council (GEC) has approved the “Friends of the SCV” concept which has now come to fruition. For a minimum initial donation of \$40, the “Friend” receives a nice certificate suitable for framing, a FOSCV lapel pin and a one-year subscription to the Confederate Veteran magazine.

Subsequent donations of \$30 or more each year will maintain the CV subscription and friendship. Please note that “Friends” are not SCV members, may not exercise any rights of membership to include claiming to be members. The “Friends of the SCV” application may be accessed on the SCV website at this link: https://scv.secure-sites.biz/pdf/FOSCV_Membership_Application_fillable.pdf

Camps which already have associate membership programs in place for their supporters who do not have Confederate ancestry are free to either participate in this program or continue their current system.
